The screenshot shows the VMware Workstation Pro download page. The left sidebar contains navigation links: My Entitlements, My Downloads, My Cases, Trials & Beta, Documentation, Security Advisories, All Products, and Contact Support. The main content area is titled 'Products' and includes a search bar and a language selector set to 'English'. Below this, there is a list of products with expandable details. The 'Release' table is visible, showing the following data:

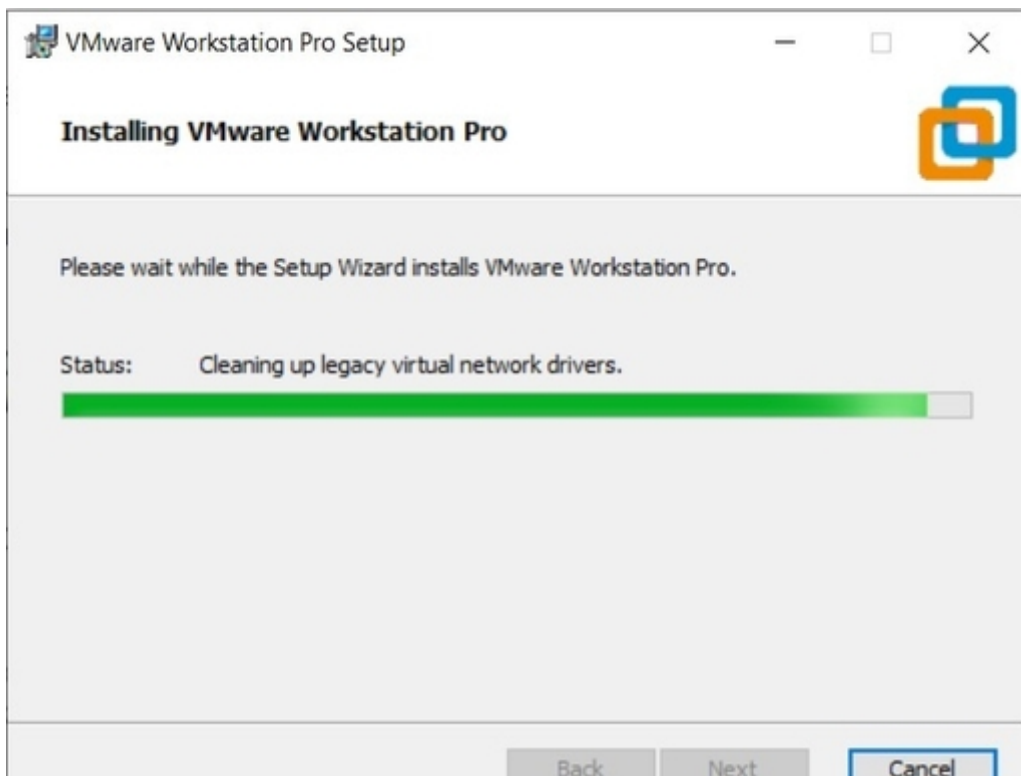

Release	Release Level Info
17.6.4	533272
17.6.3	528496
17.6.2	526672
17.6.1	524543
17.6	522389
17.5.2	520398

4. VMware Installation

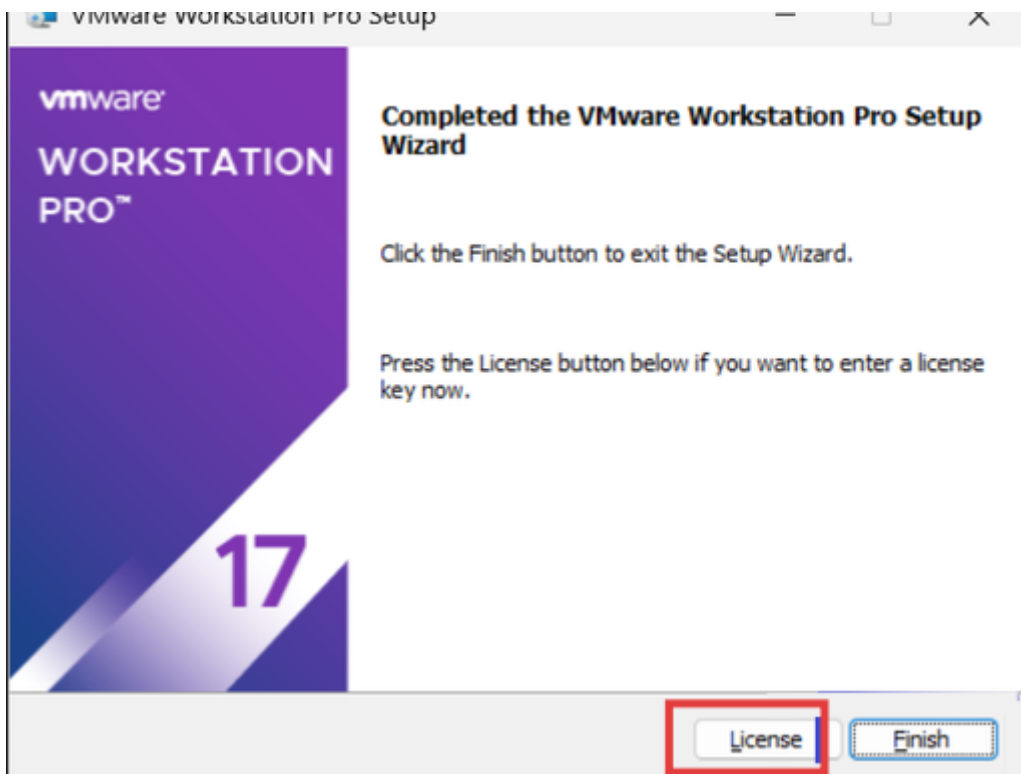

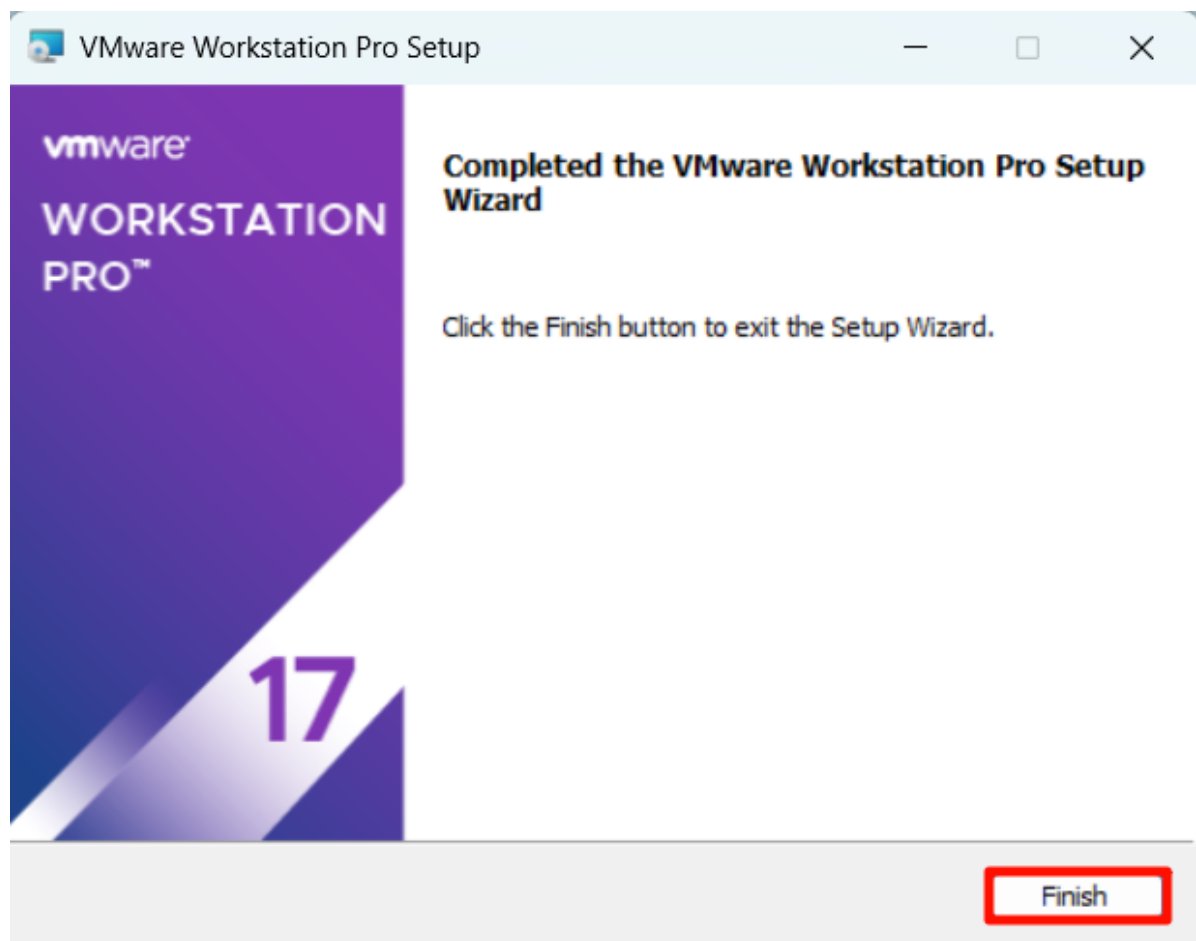

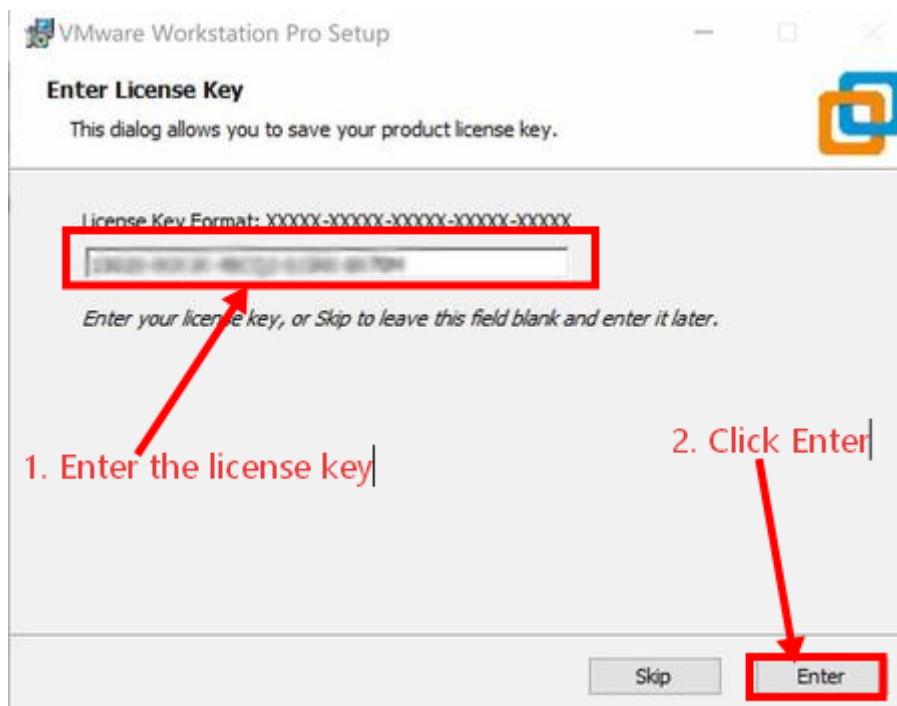

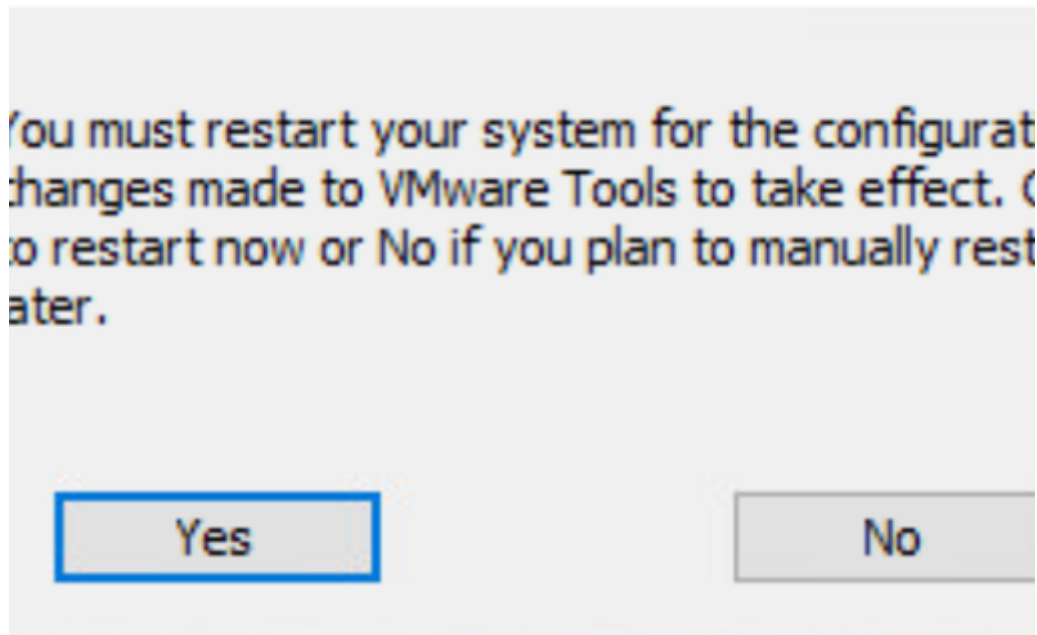

You must obtain a license on your own. This guide only demonstrates the VMware installation process and does not provide a license.

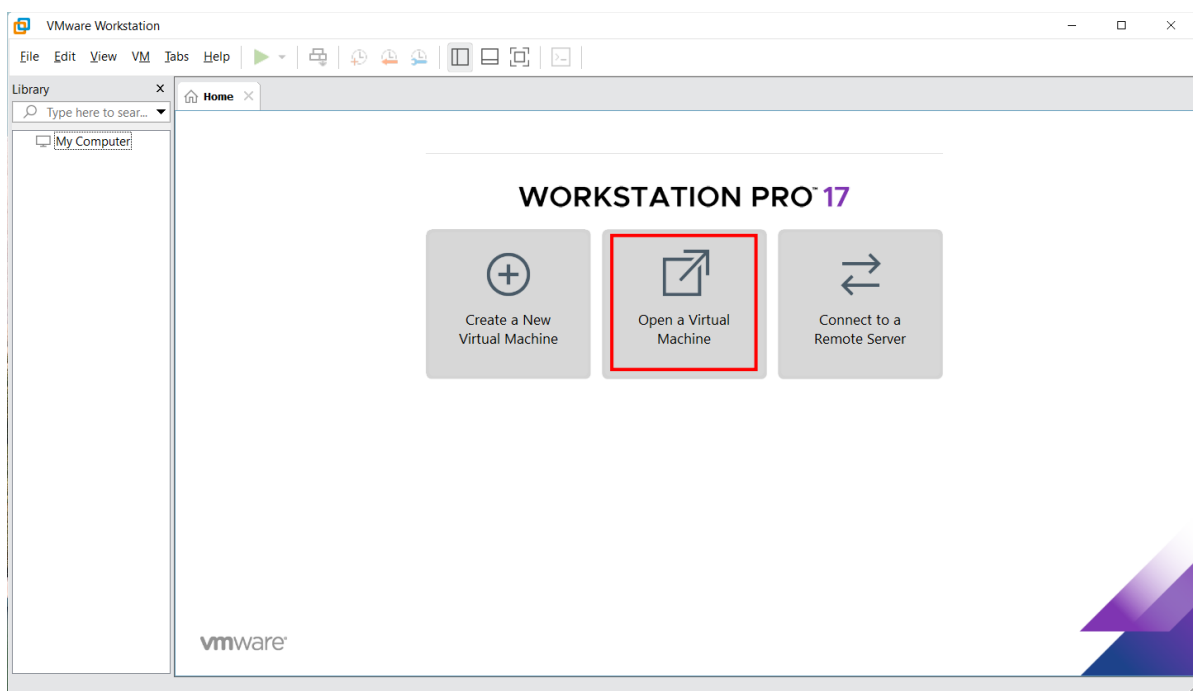

A restart is required after the installation is complete.
